TESTIMONY OF SISTER WILLIAMS

Brother Mel Novak, I just want to thank God for you and your shotgun way with the Word of God. Every inmate I've talked to say how much they have been blessed & encouraged in your services. There are dozens who memorize your Arsenal prayer. I pray it every day but haven't been able to memorize it **YET**. You said it is just important to pray it every day, & not stop when you leave prison. That is what I did when I left C.I.W., & got arrested & put in Lynwood, where I heard you again. You did not judge me. You encouraged me, & told me what I needed to do to stay out. "Jesus will heal your pain & wounds. Drugs won't do it. You're right. I confessed & repented, & thank God, I am forgiven.

I want to let you know that your prayers helped me in so many ways. When I worked in the chapel at C.I.W., I would be there when the Prison Ministries would come. You would be there on a Wednesday. When you walked in you said, "Sister, has the devil stole your joy?" That day, I had been told that I had throat cancer and would probably die in 3 months. I was scared. You said, "What did Dr. Jesus say?" Brother Mel, when you looked me in the eye & said, "God is going to heal you. He has revealed it in my spirit & I believe it. You too must believe. Believe & not doubt," you said. Then you said, "You are healed by the stripes of Jesus," & laid hands on me & prayed, binding up in Jesus' name, fear sickness & disease, & every unclean spirit & attack on me.

You pulled out a prayer sheet called God's Arsenal prayer and told me to pray it every day. I also daily prayed the healing scriptures that you gave me. Now at Lynwood, I got to hear you preach again. After your alter call, I raised my hand & asked if I could give a testimony. I told the ladies about the cancer & the word curse, as you said, & how important it was to pray the Arsenal warfare prayer daily. I told them that over two years ago I was told that I was going to die in 3 months. I have no cancer. I am to be released soon & will get involved in church, prayer, praise & the Word. You always brought a touch of God's love and you encouraged us to trust in the Lord in all trials. We all love you in Jesus' name. Thank God for your work in Christ, Brother Novak.
