### **TESTIMONY OF AMBER CLARK**

Hello my name is Amber Clark! I am 23 years old. As a child growing up, I was raised in the church and went to a Christian school. I knew of the Lord, but I did not have a personal relationship with Him. My parents divorced in 1995 and that is when I started to rebel. I was extremely close to my granny growing up. She had a major positive impact on my life. In 2000, she was diagnosed with breast cancer and in 2001, she passed away. Her death dramatically changed me forever. I started using drugs at the age of 13. Next I got into trouble with the law. I was arrested 16 times as a juvenile and was in and out of the juvenile detention center. When I turned 17, I was sent off to boot camp for seven months. I stayed clean for a month when I got out, then I got addicted to crystal meth and that was totally bad for me! The devil had great control of my life and actions after this introduction. I ended up in even more trouble and was using just about every drug out there, but of course I had my favorites. Xanax was my favorite and it made me do horrible things that I would have never done sober. I stole from people including my own mother. When I finally did sober up, I hated myself and hated the person I had become. I was on State Probation at the time when I caught another charge and failed a drug test, so I was sent to prison. It has been the best thing that has ever happened to me. It was there, I heard a spiritual warfare sermon at a chapel service. I didn't even want to go but my Bunkie said this preacher, who is also an actor, will give you truth of God's Word. She said she was feeling sorry for herself for a week and during his service, he looked at her and said "a pity party is from the devil to discourage you and rip off your peace." Then she started to pray the Arsenal prayer he handed out. It changed her so I went to his service. There must have been over 100 who prayed the sinner's prayer that he prayed with us. That service, God's Word, and that Arsenal prayer that he gave us changed my life. I now have a personal relationship with my Lord and Savior, Jesus Christ. At the end of the service, he looked at me and said, "my God will never leave you nor forsake you." I have put my whole life into God's hands and he has done wonderful things for me! Just trusting in Him and having faith in Him is amazing. The Lord is my light and life today.
